We Are The Children Of The Earth

INTRODUCTION

MESSAGE TO FACULTY AND STUDENTS

THIS YEAR WE PROMISED YOU AN EXTRA SPECIAL YEARBOOK. WE FEEL WE HAVE DONE THIS. WE'D LIKE TO THANK THOSE OF YOU WHO SUPPORTED US AND WHO BOUGHT THE 1979 PRESIDENT.

EXPLANATION OF THEME

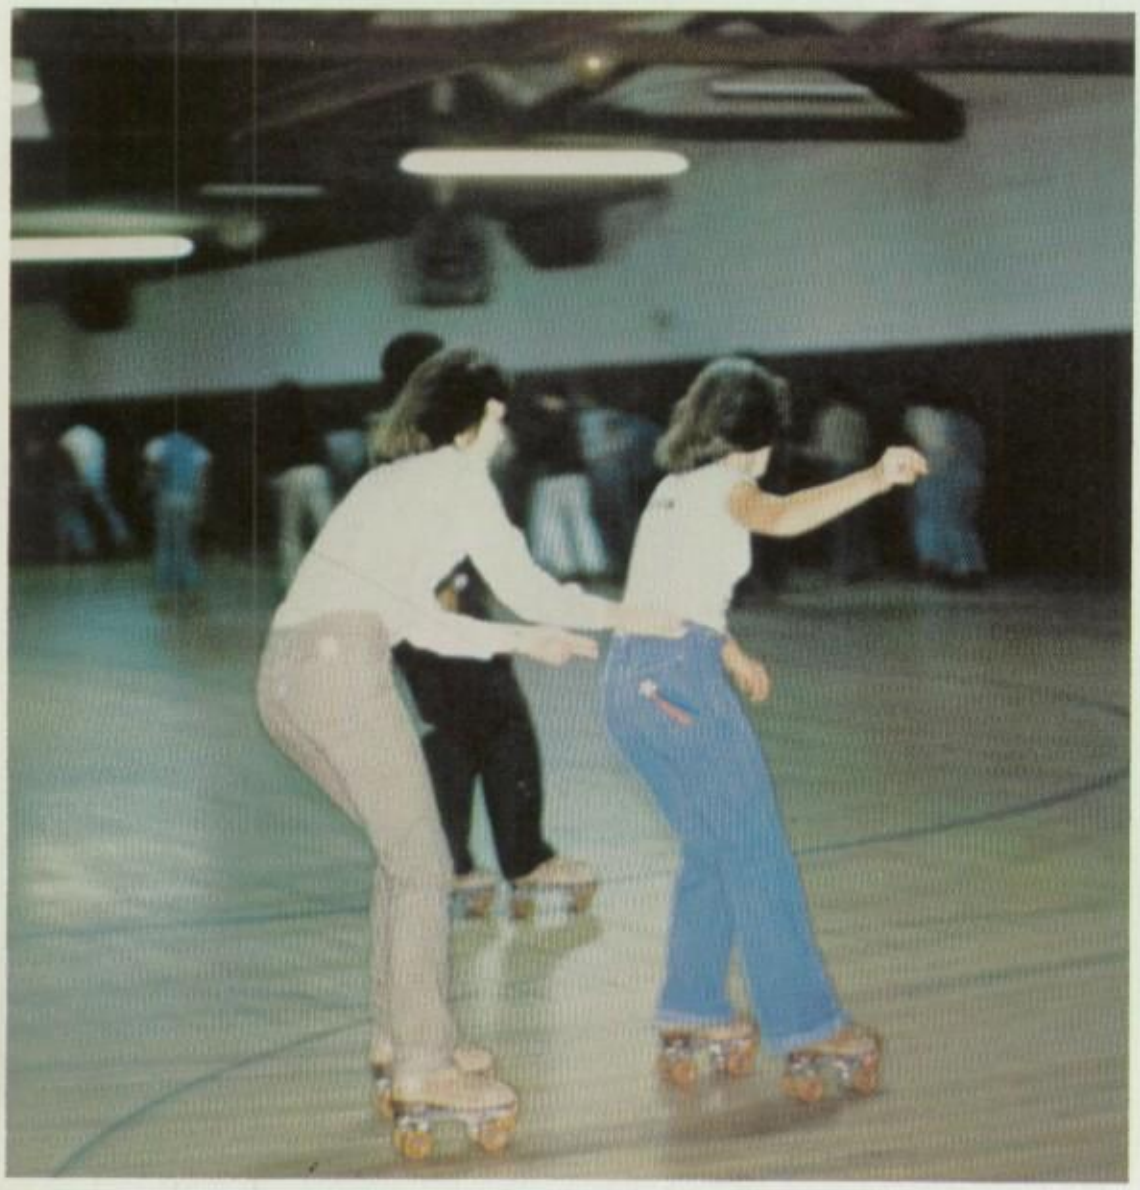
THE THEME OF THE 1979 PRESIDENT – **"WE ARE THE CHILDREN OF THE EARTH"** IS THE TITLE OF A POEM WRITTEN BY LAURIE KOHL. IN THE PAGES FOLLOWING, THE POEM APPEARS IN ITS ENTIRETY.

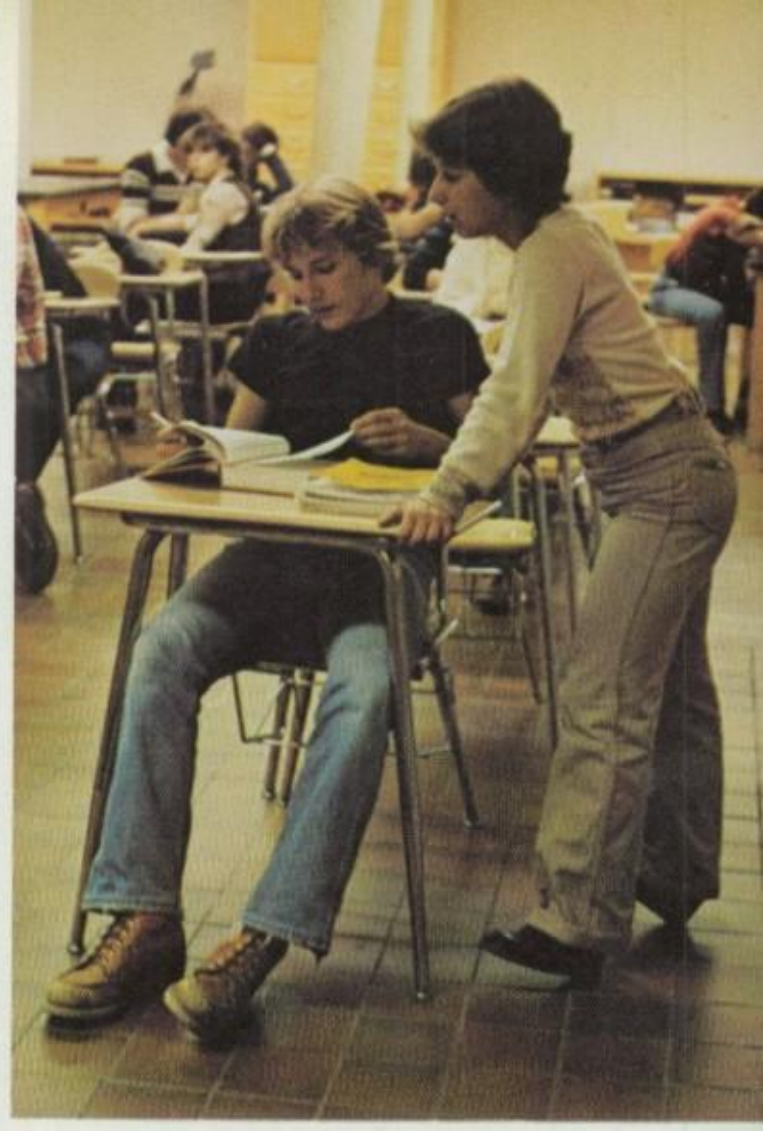
WE FEEL THIS IS AN APPROPRIATE THEME BECAUSE OURS IS A SCHOOL OF MIXED RACES, CREEDS AND COLORS. YET, WITH ALL THE DIFFERENCES WE ALL FUNCTION TOGETHER. WE ARE ALL OF EQUAL IMPORTANCE, NOT ONLY IN THIS SCHOOL BUT IN THE OUTSIDE WORLD TOO.

"WE ARE THE CHILDREN OF THE EARTH."

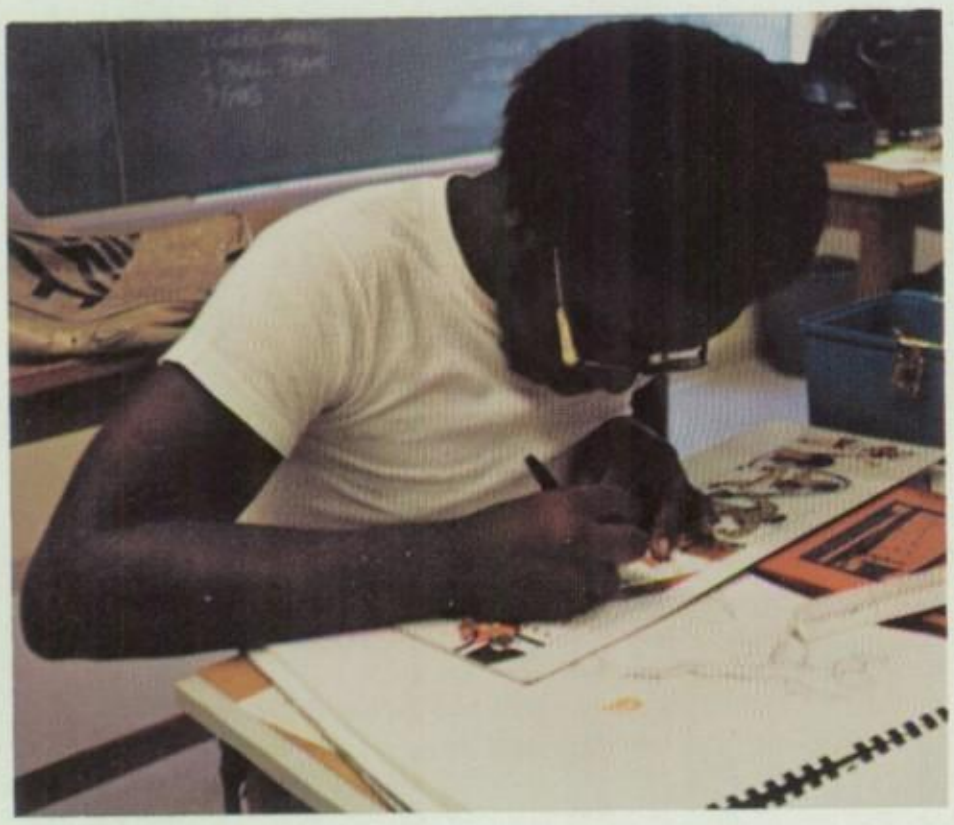
SPECIAL THANKS TO LAURIE KOHL AND GIBSON GREETING CARDS INC.

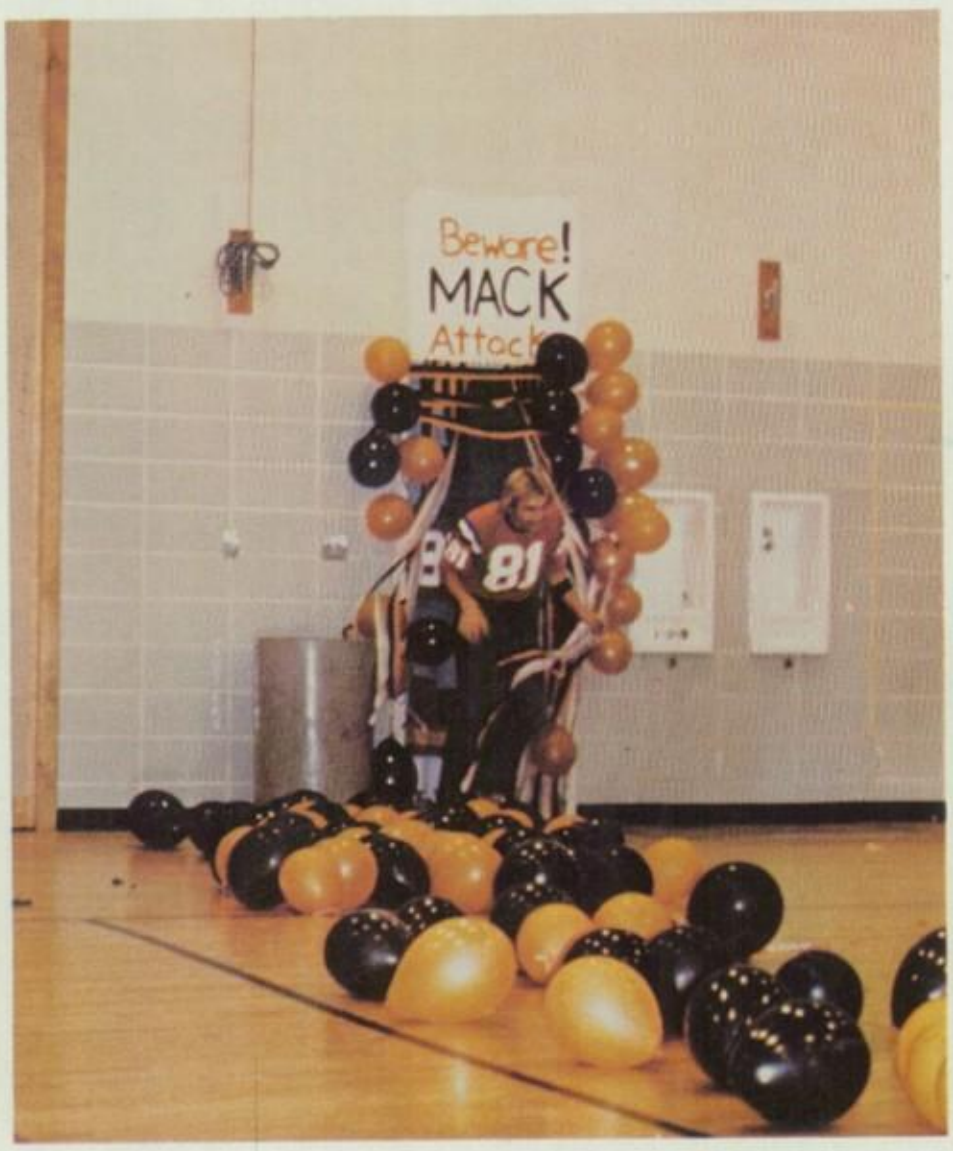
we are the children of the earth



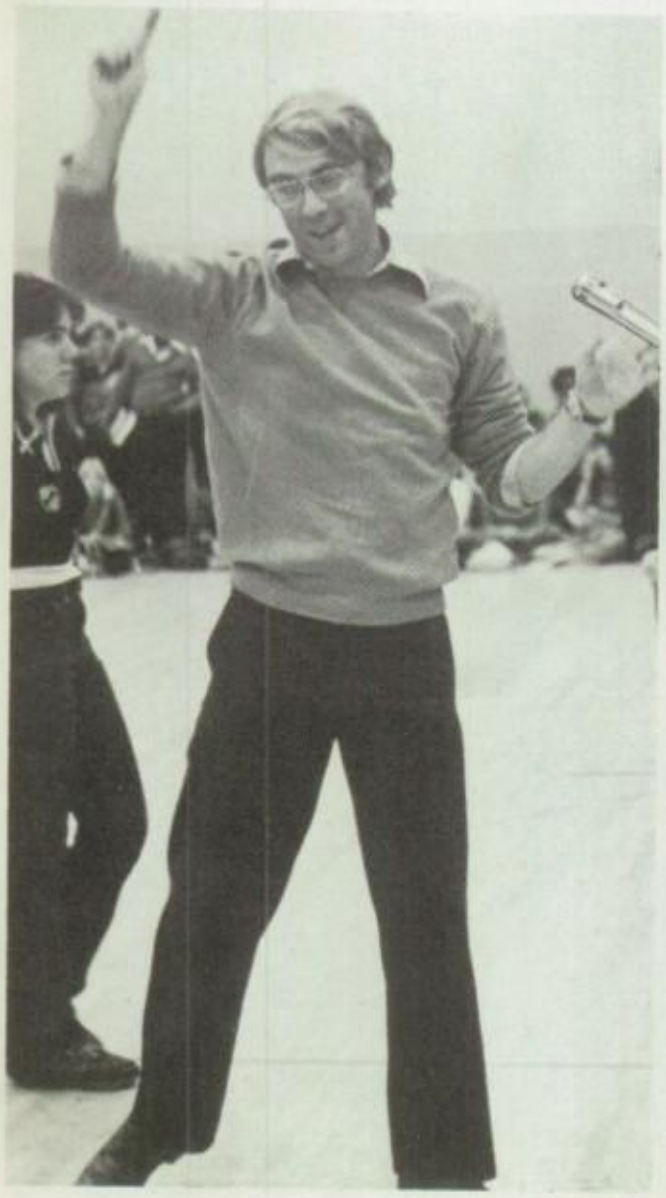


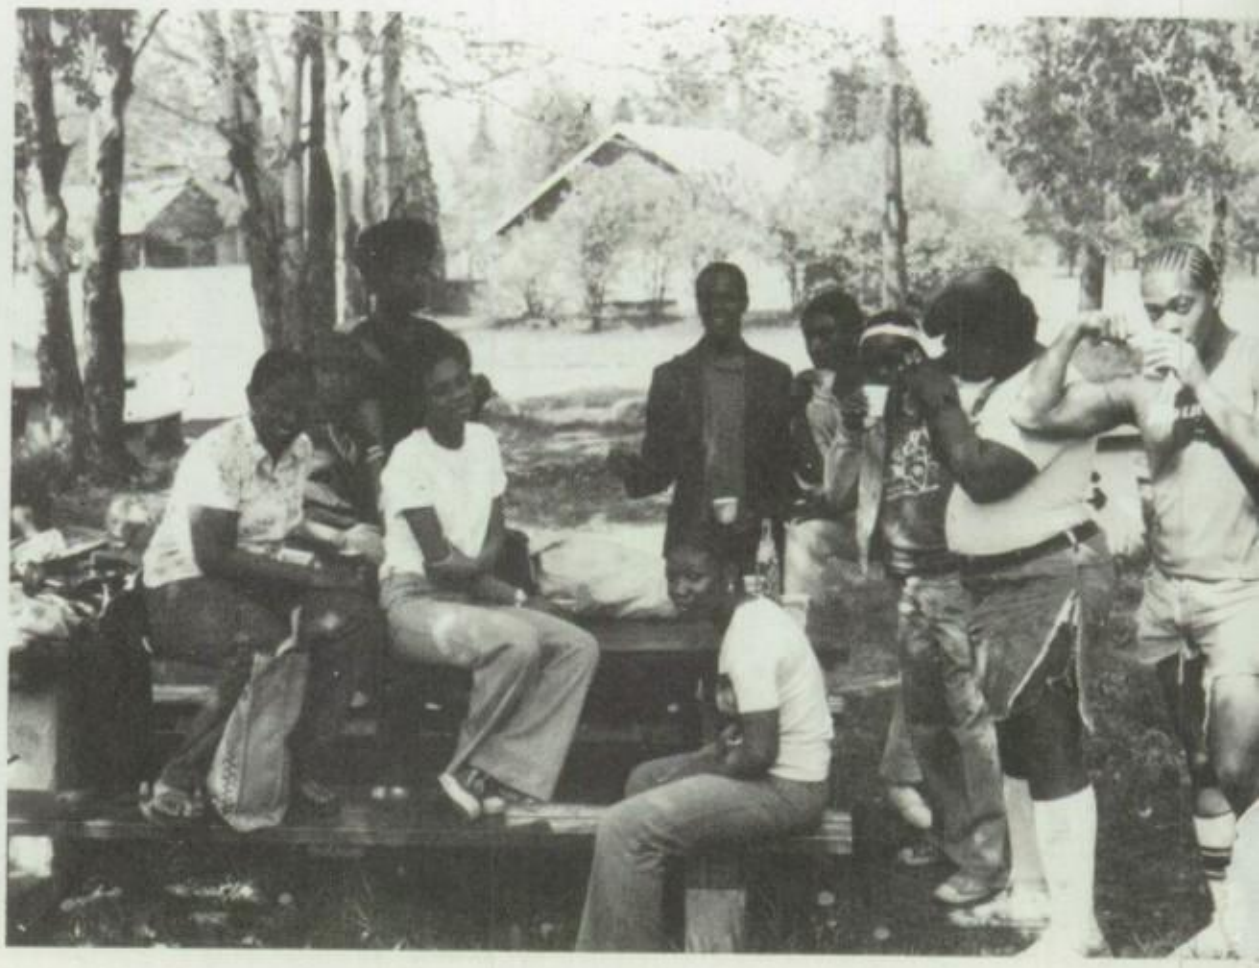
our family is spread over the whole earth and across all time

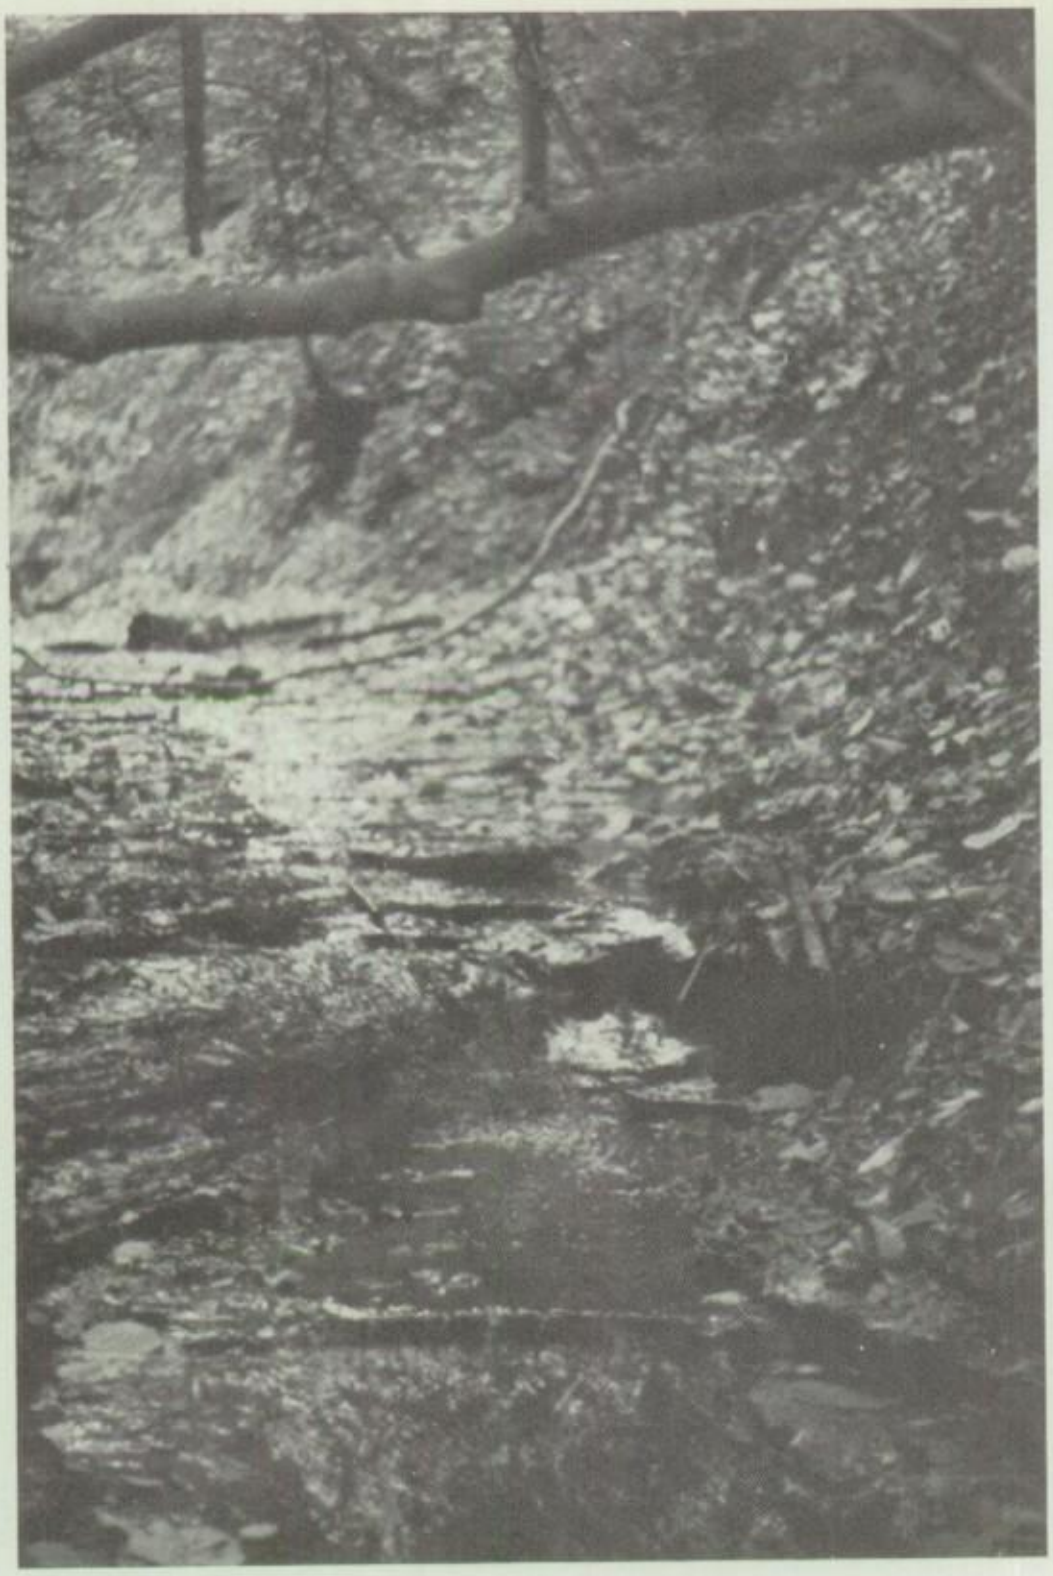




We are but a handful compared to those who came before us. The past is stored in our roots, and we are everything that was.

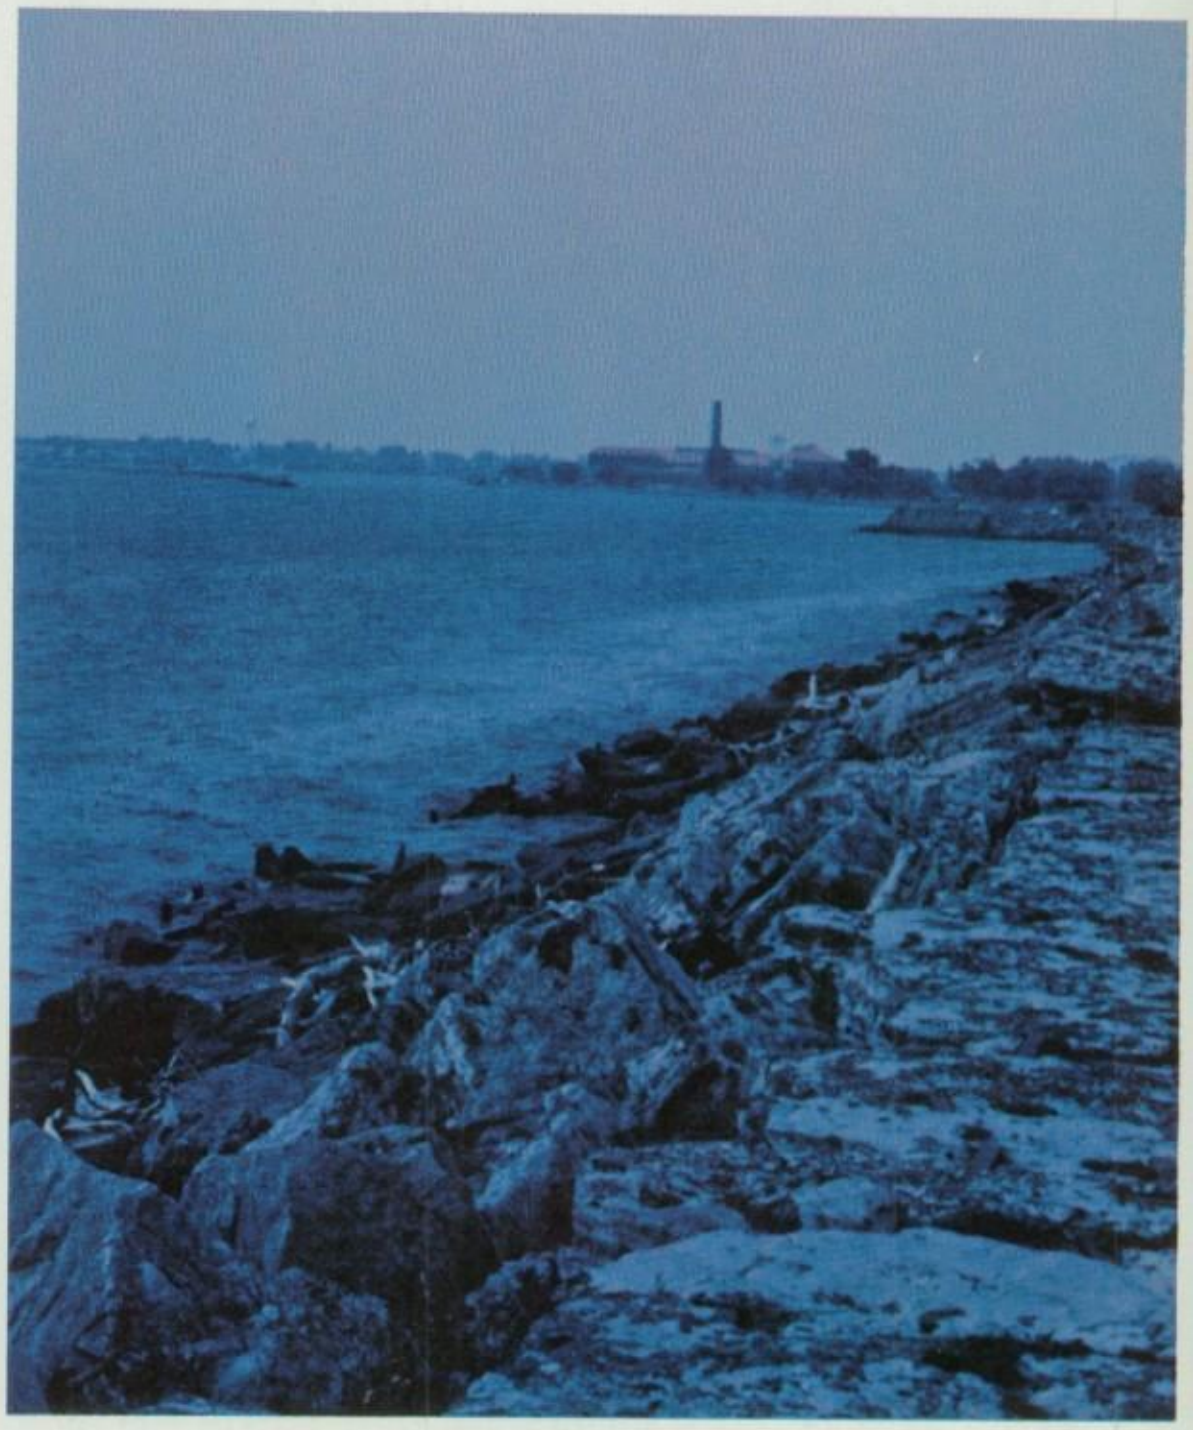




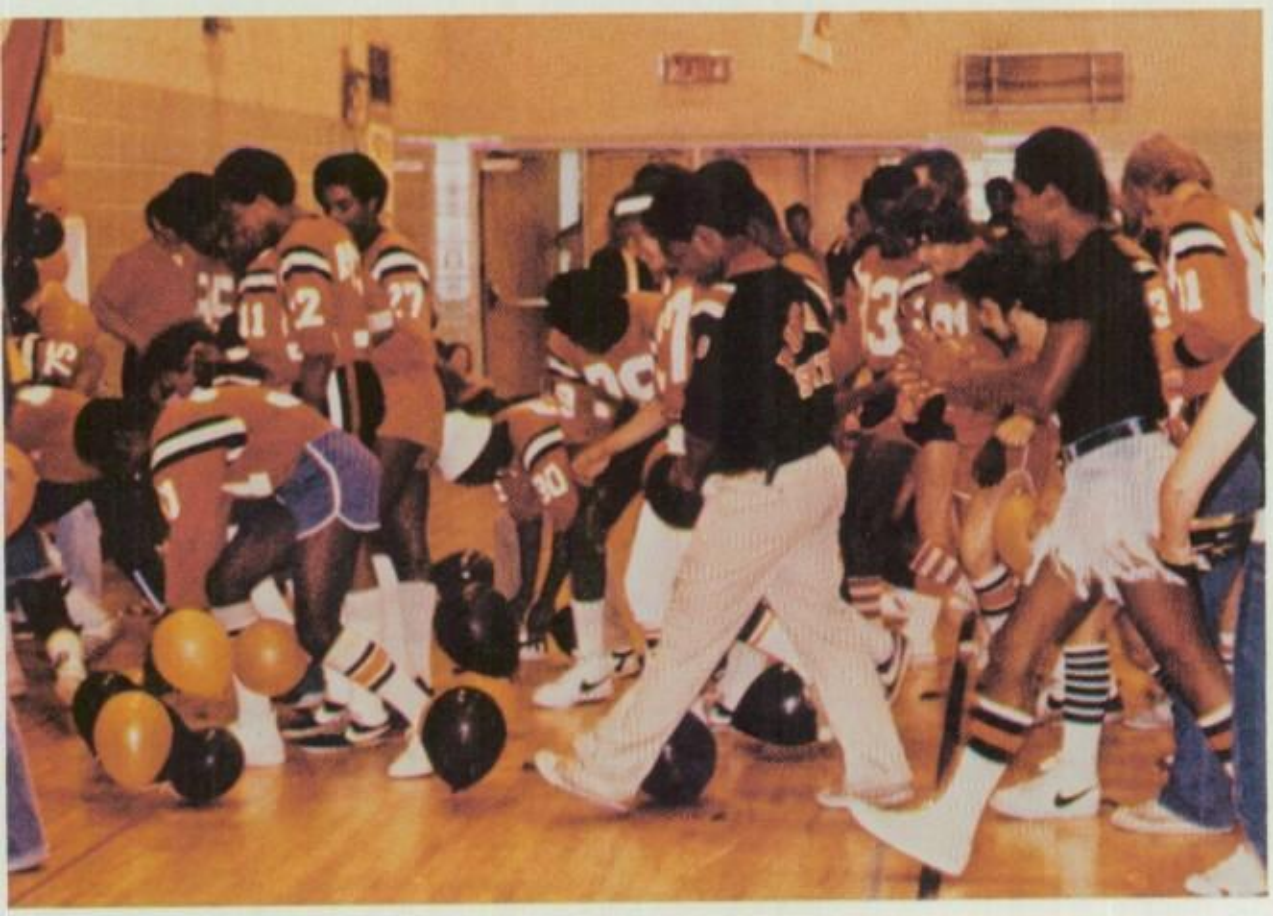


Each of us is related
to all beings
and all things.
And we are everything
that is.

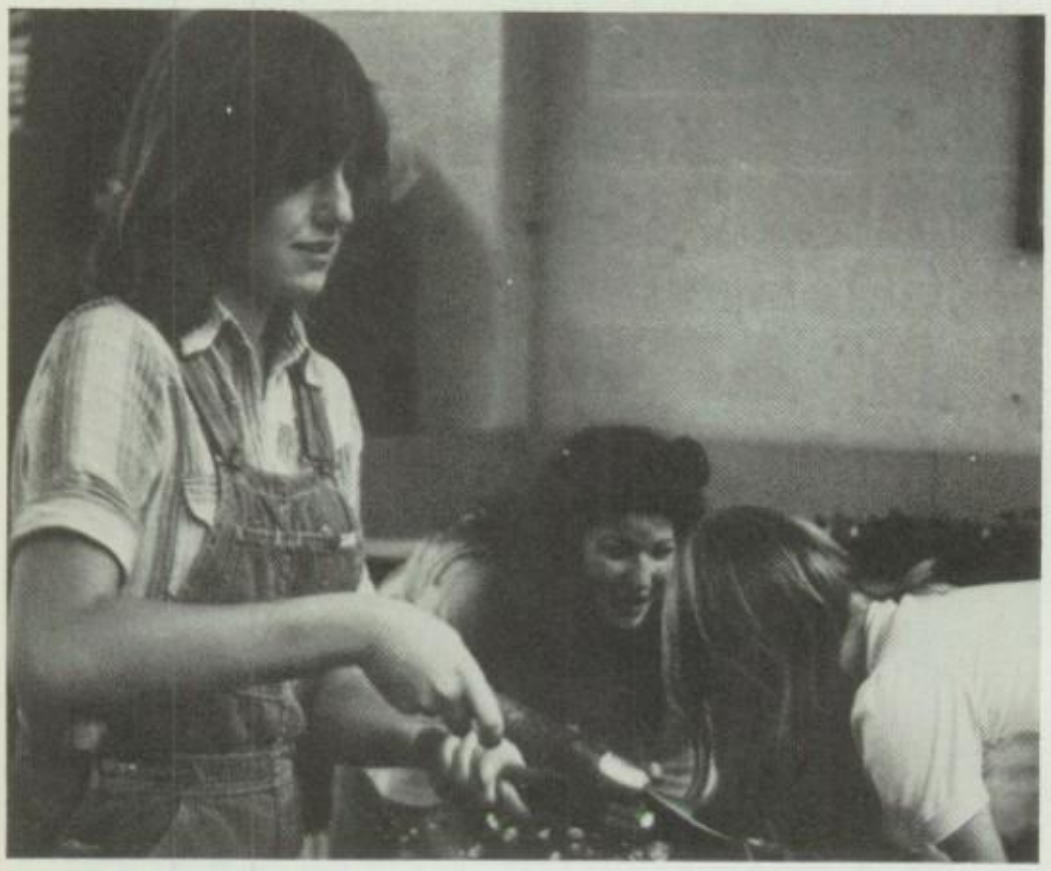
In us...
and in the harvest of our fruit
is everything that will be.

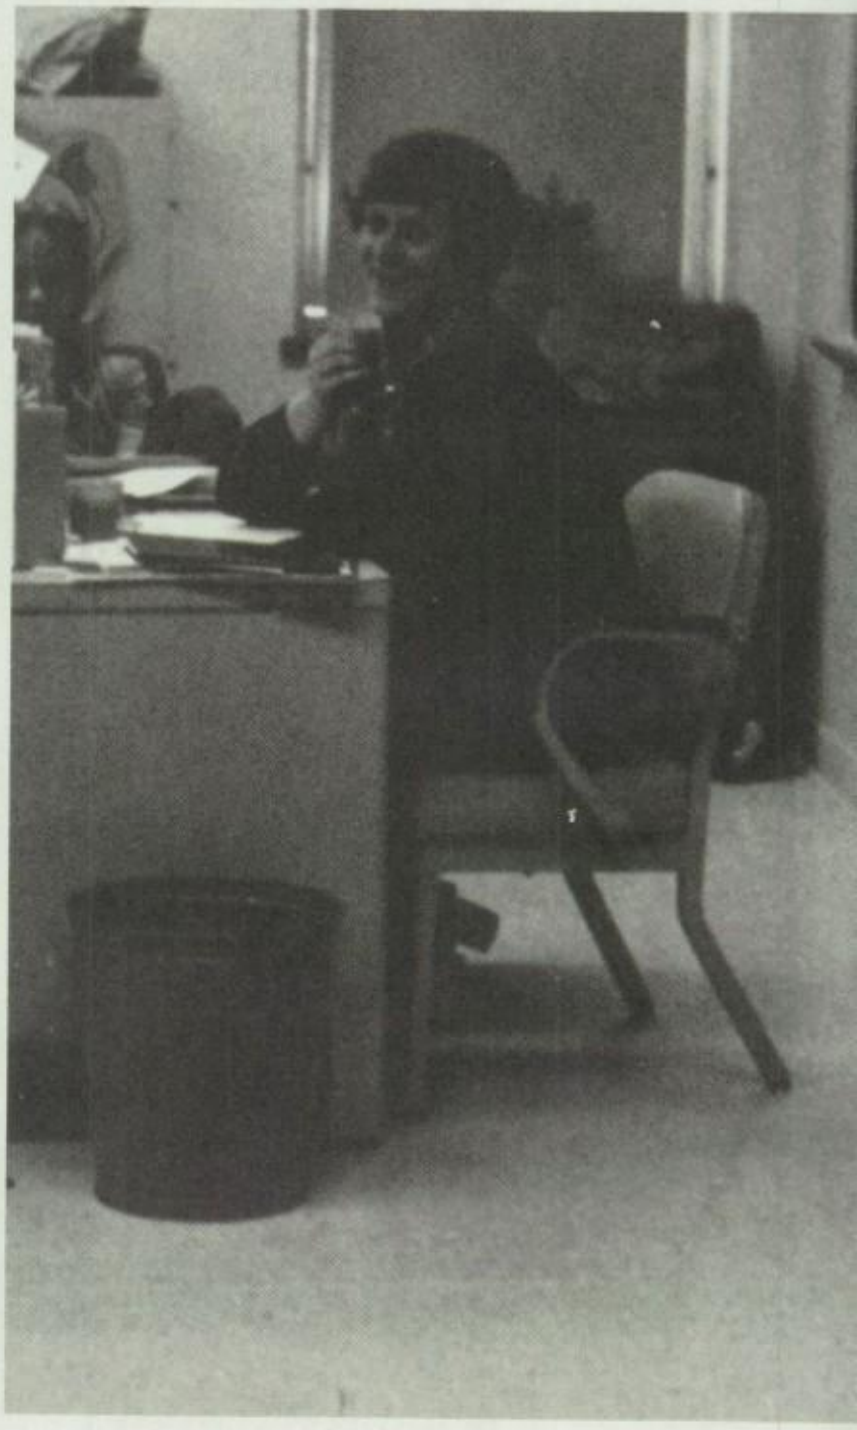


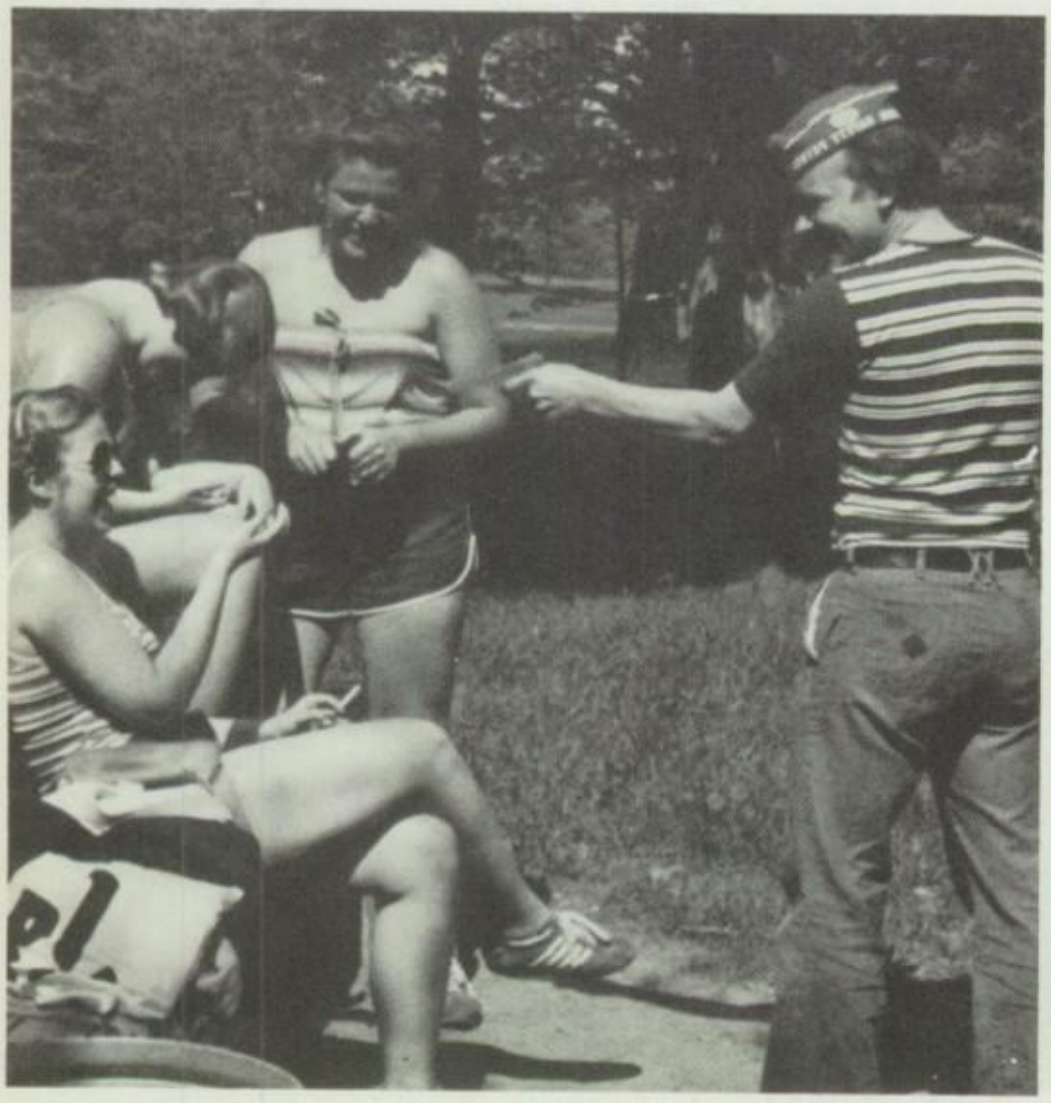
We are the children of the earth,
and our needs are one.
A smile speaks every language...
a tear has no boundaries...
and a touch is the same
to every skin.



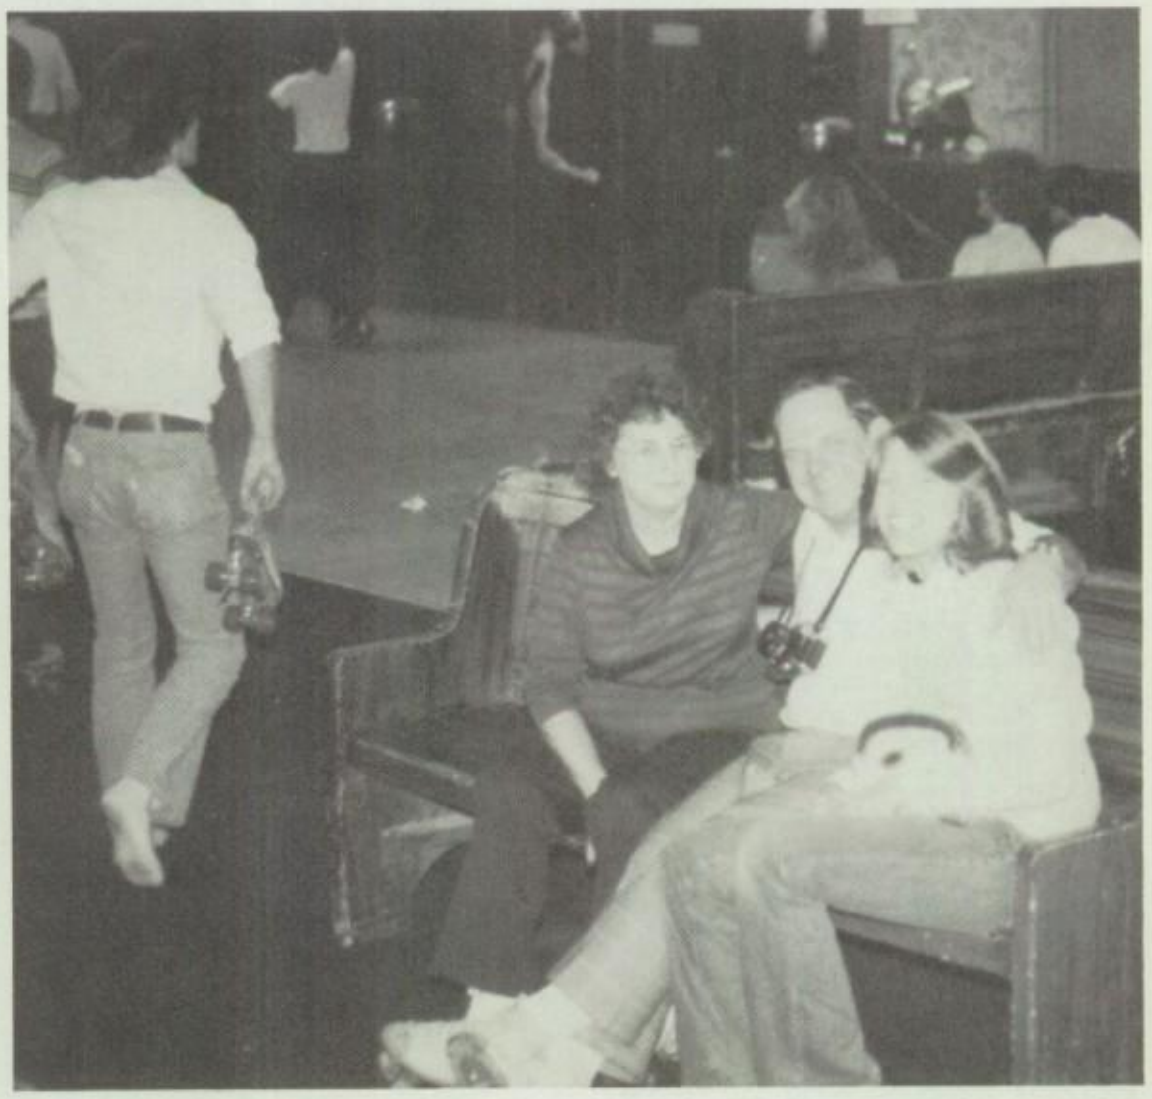
Everywhere the search for happiness for love...

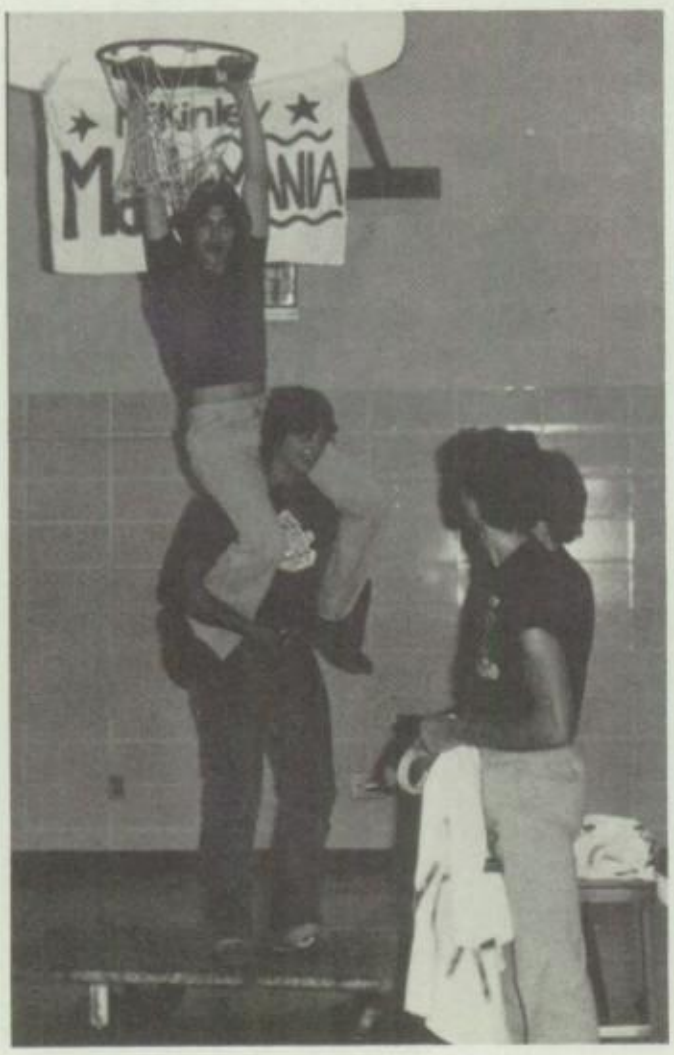




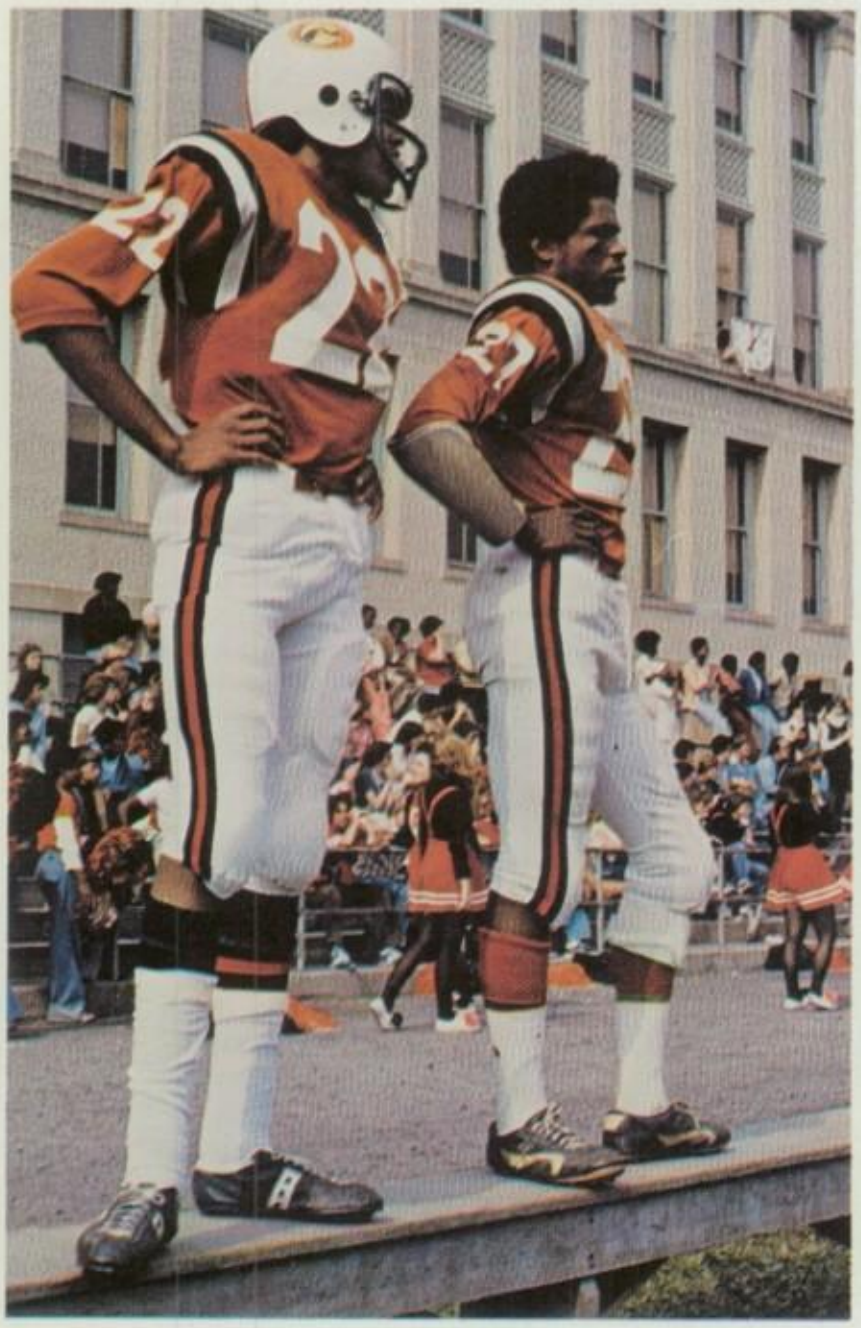


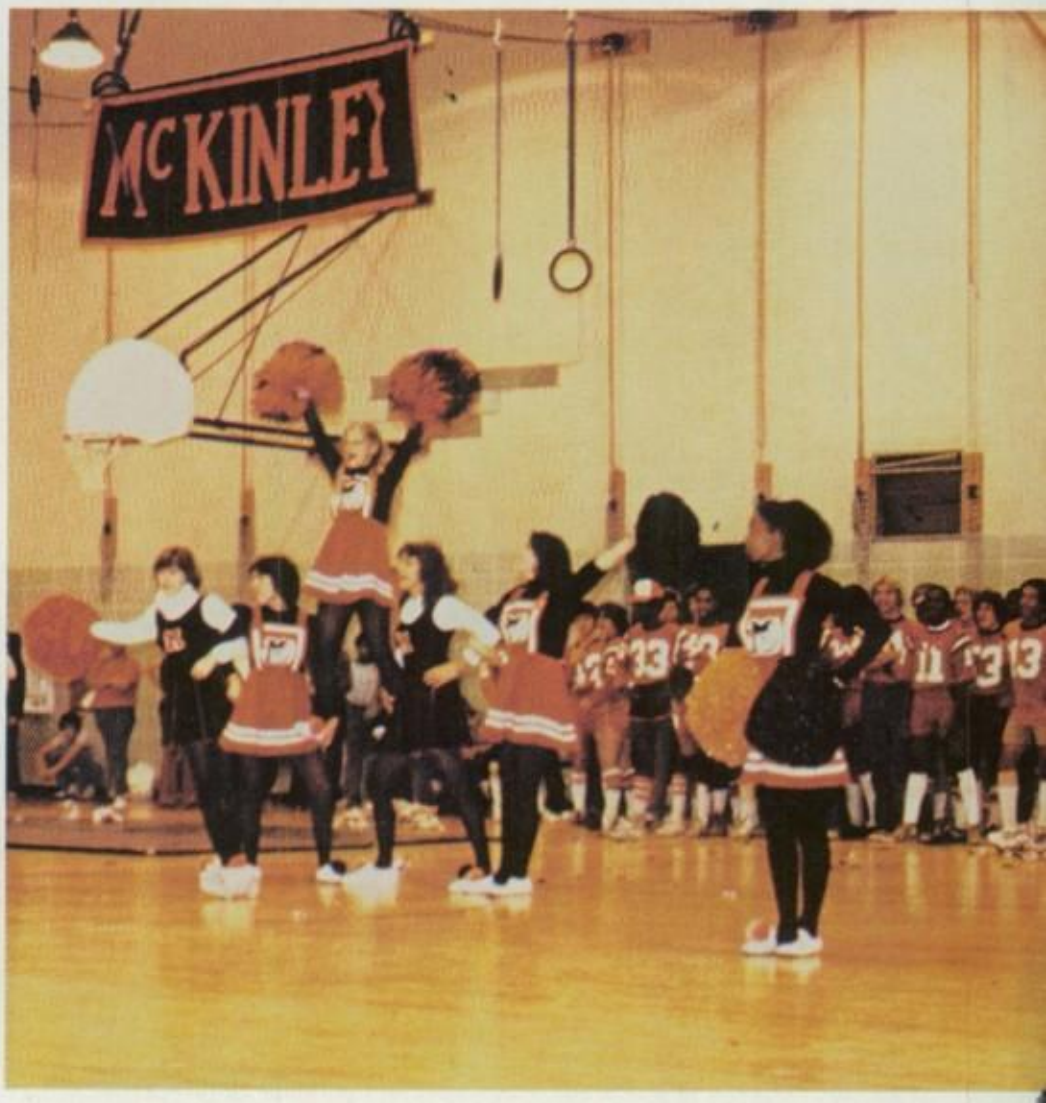
...for someone to share
our dreams
and our lives.
Two become one...
and whenever it happens,
we are all a part of it.





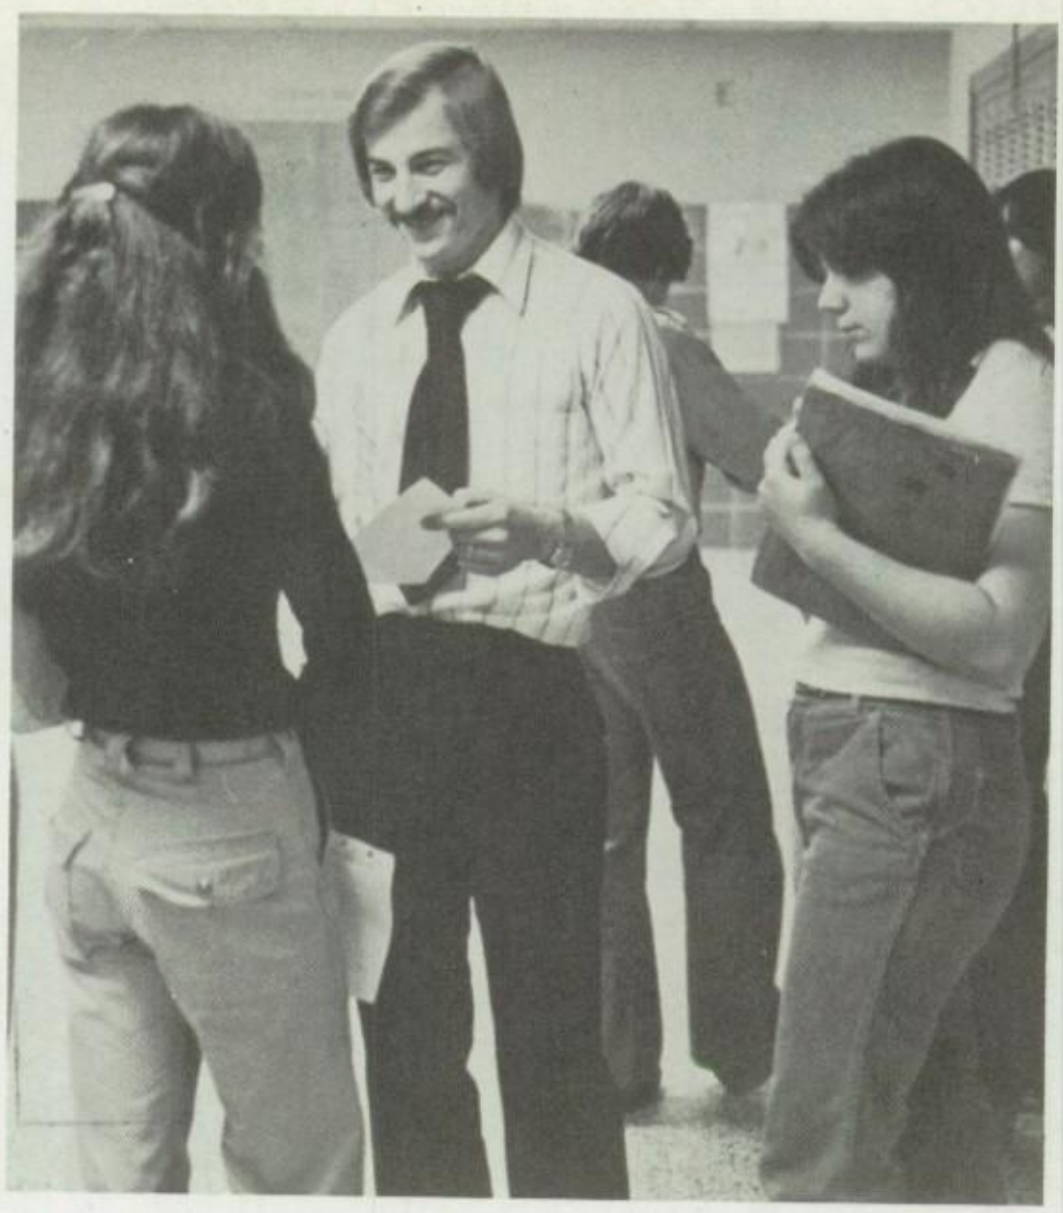
Somewhere a child is born... in a shack or a palace... In the still of the night or the blaze of noon... With the welcome of open arms or with faces turned aside.
This is our child.

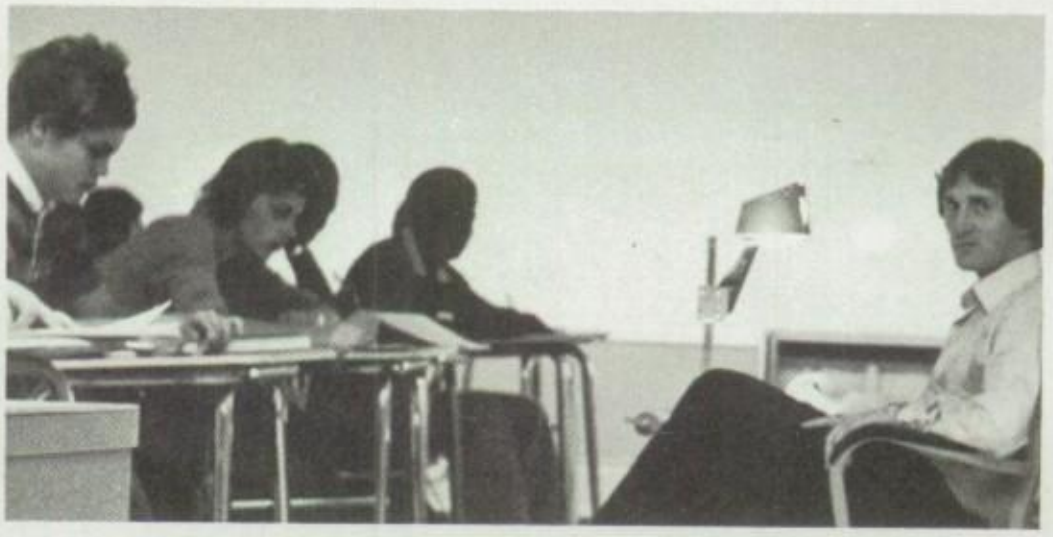


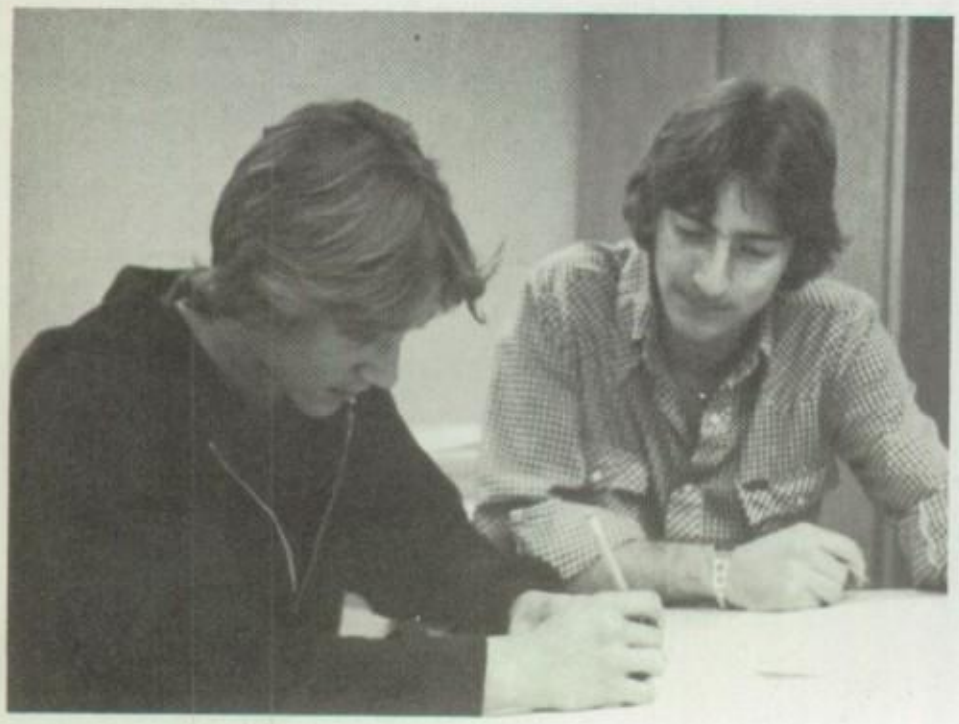


Somewhere children dance to the joyous music of life... and elsewhere, they only cling to existence. They are all ours.

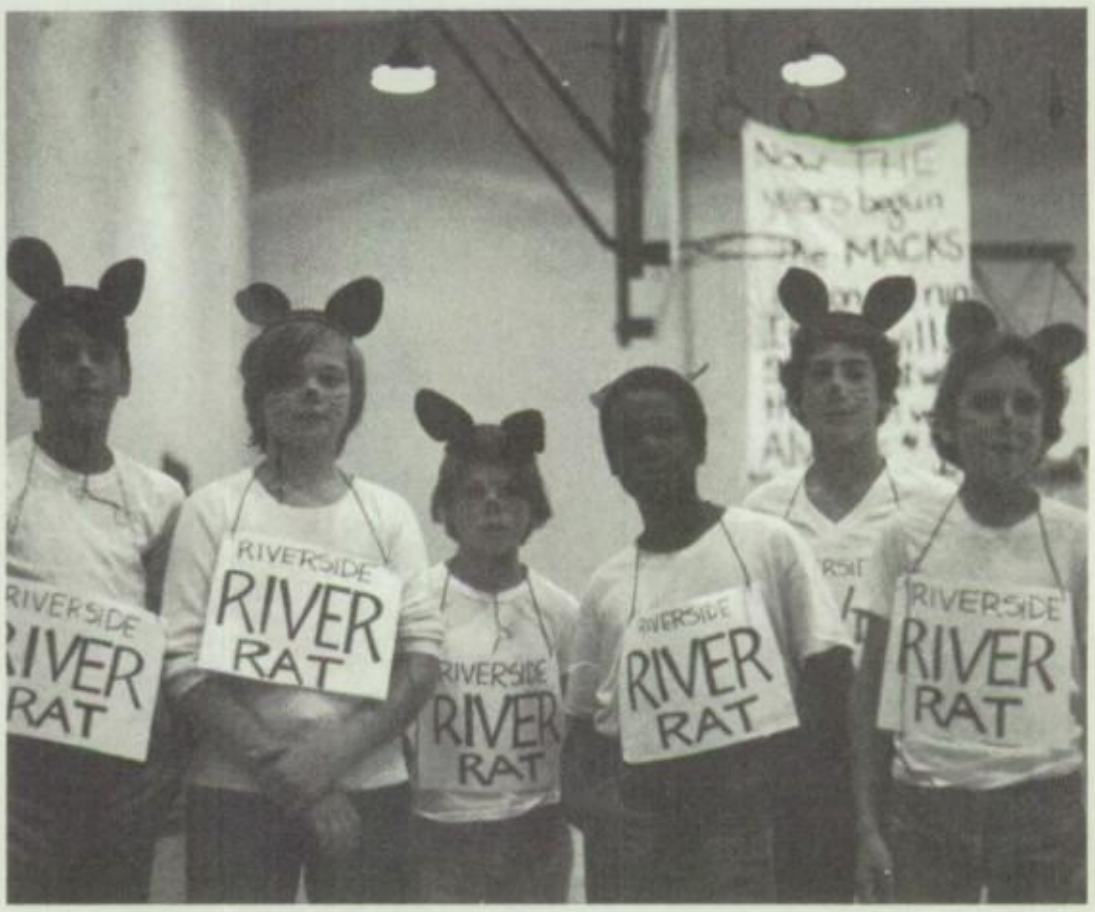
Youth hopes and dreams... tries and learns... stumbles and succeeds. We are there. In the mainstream of life someone plans... moves... sweats... teaches... does.

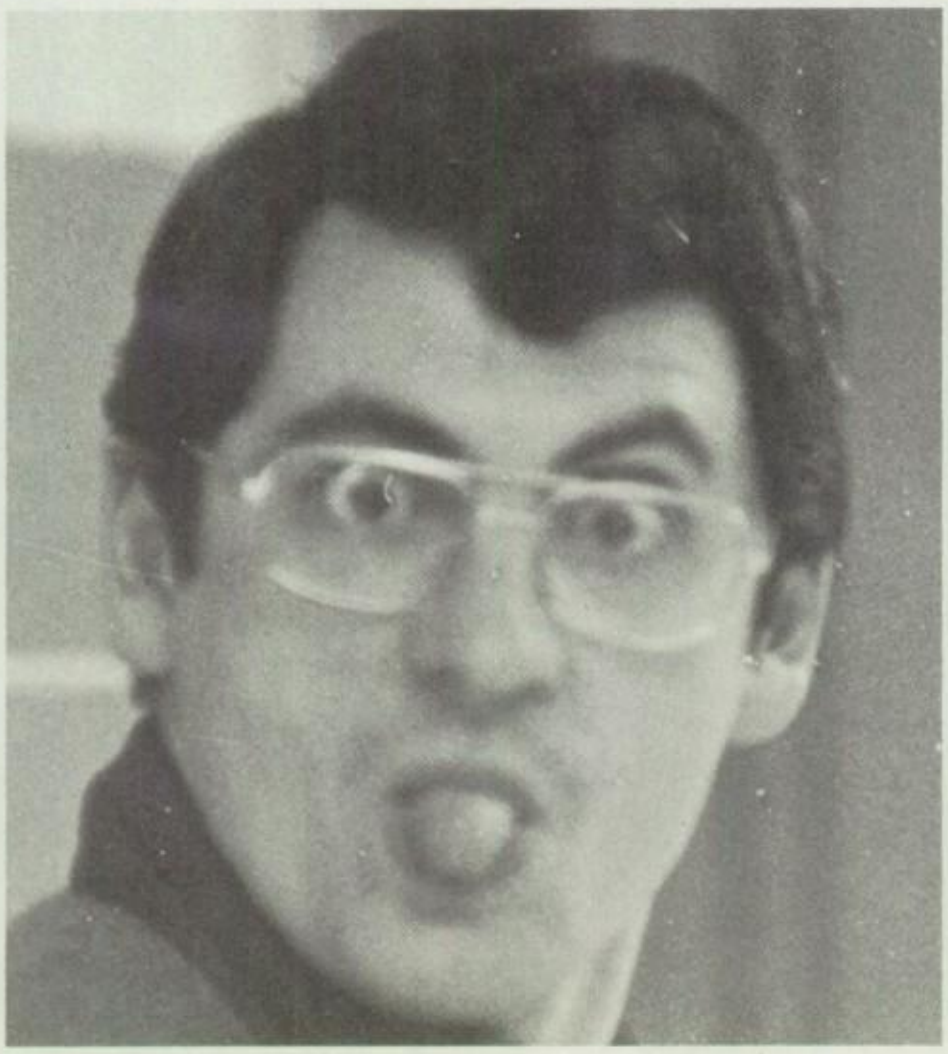






And we are all of them.
The old remember..and wait..,and reach the end
of their journey on this earth,and part of us is gone.
We are of different sizes,colors,ages,personalities.
Different faces,different faiths. We are never
alike and we are always alike.





Half in shade
and half in sunlight
we turn together along one path.
We are the children of the earth.

CALLIGRAPHY BY LAURIE SUCHY

DEDICATION . . .

HENRY NAPIER

The Class of 1979 gratefully dedicate this yearbook to

HENRY NAPIER

who retired during this school year as a teacher of Machine Shop Practice.

His teaching career started in 1945, and except for one year in the N. Tonawanda School System, two years at Emerson V.H.S., he spent thirty-one years as an instructor at McKinley H.S.

Mr. Napier graduated from the Industrial Teacher Training Program for the State of New York in 1948 and completed his graduate work at the State University of New York at Buffalo in 1964.

This man will be remembered by all for his active interest to his students, being an consultant and authority in the field of the Machine Trades, and above all, for thirty-four years, a fervently dedicated teacher at McKinley H.S.

Thank you . . . Henry Napier . . . we wish you well and much happiness in your retirement.

Descending
Descending from the
highest clouds,
Miles and Miles,
With no target,
but the ground.

So calm and soft looking,
Drifting with the cold breeze;
Descending faster and faster
As though it could go
on forever and ever.

The only one of its kind,
Descending and descending;
It falls upon my hand
without a sound,
And disappears.

THINKING
If you think you are beaten, you are
If you think you dare not, you don't
If you'd like to win
but you think you can't
It's almost a cinch you won't.

If you think you'll lose, you're lost,
For out of the world we find
Success begins with a fellows will –
It's all in the state of mind.

If you think you're outclassed,
you are;
You've got to think high to rise;
You've got to be sure
of yourself before
You can ever win a prize.

Life's battle don't always go
To stronger or faster man;
But soon or late the man who wins,
Is the one who thinks he can.

The McKinley '78-'79' Basketball Team was one of the best in the schools history. It's record of 17 wins – 1 loss was a great surprise after a mediocre 4-11 last year. We opened the season with an upset victory over defending champions Kensington, then proceeded to beat each team in the Buffalo League and won the Yale Cup for the 1st time since 1963.

YEAR BOOK STAFF

PHOTO LEFT (Seated): Mr. Joe Kot – Advisor (Standing) T. Reichmeyer, D. McDonell, L. Suchy – co-editors.

The book, in all actuality, is the labor of love of not those pictured above, but of one of the most terrific men McKinley has ever been lucky enough to know . . . Mr. Joseph Kot. His generosity and devotion was the inspiration of an often discouraged staff.

From your crew "short stuff" – a great big hug and more gratitude than could ever by expressed. It was fun chasing the sound of your keys through the halls . . . relax now . . . the book is done . . . and remember you're loved!

The Varden Portrait

For some people, a diploma is not enough.

Some people feel that there should be more to graduation. More than just a diploma. A timeless commemorative of your graduation is the Varden portrait.

Your Varden portrait will speak with distinction. For over 30 years, the name Varden has meant the ultimate in portraiture. When you graduate, don't settle for less.
